

H A S A

*The Houston Association of School Administrators (HASA)
Is the organization for You
So we'd like to take this opportunity
To showcase what we Do*

*We offer 'Legal Advice' for our members...
That just might come in Hand
Because we're constantly making
Crucial decisions on Demand*

*Caught up in Litigation?
You think, "Oh No, it can never happen to Me"
But you never know what tomorrow will bring
When working in HISD*

*HISD is a great educational institution
We ASPIRE to be the Best
And having a \$1 Million Professional Liability Policy
Puts a lot of minds to Rest*

*Our employees have
HFT, AFT and the Like
And sometimes our members also need an advocate
For Administrative issues – helping decide wrong or Right*

*So whether it be Consultation, Mediation or Litigation
You 'will' have Representation
There will be opportunities to Network
And we believe in Teamwork
So join Today
Let's Do It The HASA Way!!!*
